Consonant Digraphs Minibooks

Use:

This is a fun project that takes about 20-30 minutes per book, designed for kids Pre-K-1st. Students learn a new consonant digraph each book by coloring pictures containing the targeted digraph and tracing over the letters as they occur in words. Each book is a single sheet of paper divided into 8 sections. When the student has completed coloring the sections, the paper is folded into a book that he/she can take home.

Included:

- 5 Minibooks ("ch", "ph", "sh", "th", "wh")
- Instructions

Trim off outside edges along the solid line.

Unfold and fold again along the short edge.
