# Building a Snowman

There are a few steps for building a snowman. First, you start with building the body. You need three snowballs, one small, one medium, and one big. Once you roll three big snowballs, you will stack them on top of each other. After you build the body, you can start to add the body parts. Give it sticks for arms and coal for eyes. Don't forget the carrot for the nose. Finally, you add your hats, scarves, and mittens.

# Beth the Butterfly

There was a butterfly named Beth who liked to fly around. Her favorite thing to do was fly from Windy Street to Rocky Drive. While she flew between these roads, she always saw her friends. Some of her friends were Farley the Frog, Timmy the Turtle, and Buzzy the Bee. Beth the Butterfly always made sure to land on a child's nose to make sure they smiled for the day.

Why does Beth land on a child's nose everyday?
